LETTER OF CONFIRMATION

Area 25 Periodic inspection of launching appliances in ships

The Danish Maritime Authority hereby confirms that MARTEC and CRALOG Academy's course on annual and 5-yearly inspection of Life Saving Appliances is adequate in relation to the following requirement stated in the general section in the Danish Maritime Authority's authorisation handbook:

“The authorised company must ensure that the persons performing the work specified have the relevant education and training and are sufficiently experienced in the area to be able to perform the work specified.”

Furthermore the DMA confirms that the above mentioned course fulfill the requirement relating to knowledge of the regulatory framework and is adequate in relation to education in accordance with the IMO MSC.1 CIRC 1277.

This confirmation is based on CRALOG ACADEMY's training and education material.

The confirmation is valid until further notice.

Yours sincerely

Peter Frey
